

MARTIN HUXFORD

ACROBAT TABLE LAMP

The sculpture for this lamp was created by Martin Huxford to embody his dynamic process of creation, where the final shape emerges from an exploration of movement, a breaking down and a gradual building of the final form. Acrobat captures this sense of flow, of geometric accents and fluid movement.

Shown with 20" natural cotton shade.

Dimensions

Height 61cm 24" excluding shade

Width 17cm 7"

Depth 14cm 5.5"

Weight 9kg 20lbs

Recommended shade 50x20cm 20x8"

Materials & Finishes

Hand cast Jesmonite

Dimming

Yes

Lamping

E26 LED Max 12W 120V

Signed by artist Martin Huxford,
in a numbered Limited Edition of 50 pieces.
