## MARTIN HUXFORD

### **LUNAR SCONCE**

The Lunar wall light combines two of our favourite materials to design with, in an exciting meeting of opposites. Pale, ethereal drifting textures of alabaster present an intriguing contrast with earthier, more defined marks which cover the surface of our hand-worked cast bronze piece.

#### **Dimensions**

Height 35cm 14" Width 31cm 12" Depth 4cm 1.5" Weight 2.7kg 6lbs

#### **Finishes**

Bronze

#### **Materials**

Alabaster, solid brass, powder coated steel

#### **Dimming**

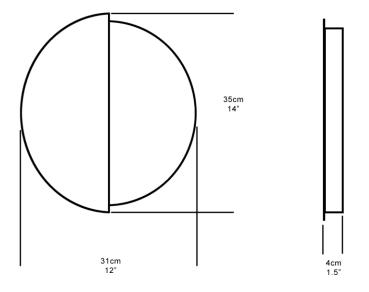

Triac leading or trailing edge

#### Lamping

Integrated 3W LED light strip Requires 12V 10W LED driver mounted in back box.

Handmade in England
