

MARTIN HUXFORD

BIRDIE DOUBLE SCONCE

With an appealing duo of Birdie shades, this abstract design references the joie de vivre of Alexander Calder's playful mobile sculptures. The tilting movement of the Birdie shades allows for directional lighting. Constructed from solid brass, the light is available as brushed, patinated or black lacquered. The inner shade is white lacquer, to reflect the light source.

Shown in bronze.

Dimensions

Height 42cm 16.5"

Width 34cm 13"

Depth 24cm 9"

Weight 1.2kg 2.5lbs

Finishes

Black arms with shade and detail elements in satin brass antique brass and bronze.
