## BIRDIE SWING DOUBLE WALL LIGHT

The Birdie Swing Double wall light is a playful mobile design, celebrating the beauty of poetic modernism and the continuing inspiration of Alexander Calder's sculptures. The wall light can be constantly adjusted, changing the elegant graphic outline of the piece, and the direction of light from the two tilting Birdie spotlights. Mobility, fun and movement are at the heart of the new Birdie lighting collection.

Shown in bronze.

### Dimensions

Height 83cm 33"  
Width Max 135cm 53"
