## FANTASIA CHANDELIER

The Fantasia Chandelier is an other-worldly celebration of nature's energy and opulent beauty and takes us to a magical landscape of surrealist forms, exuberant, exaggerated giant leaf-like shapes and simplified architectural flower stems. Martin's work champions the power of the handmade and the importance of re-establishing our connection with nature, of returning it to the heart of our manufactured world.

### Dimensions

Height 80cm 31.5"

Diameter 115cm 45.5"
