METRO FLOOR LAMP

The Metro Floor Lamp is a standout addition to the Modernist inspired Metro chandelier and wall scone collection. At 2.2 metres tall the Metro Floor Lamp is a significant feature light, designed to be used as a free standing floor lamp, or as an innovative fixed custom floor to ceiling light fitting. The graphic shape created by the multiple arms and shades, brings a very contemporary grandeur to large entrances, lobbies, restaurants, sitting rooms, and hallways.

Shown in Antique brass with black cotton shades.
